“ Friday night I lost one of the greatest men in my life. He was such a grumpy, kind-hearted man. He would always tell me I was dumber than a box of rocks, but with that smile of his, he show'd ya he loved his grandkids. He was one grumpy old man, and would cuss you out in a heart beat if you pissed him off you'd know it. I use to be at his house everyday for the past 10 years. Grandma Betty and him were my life. Our family lost one hell of a man. You will be greatly missed Papa. The pain has been taken away, and your with Grandma now. We love you, and I will see you again one day sooner than you think. Rest in peace, I love you with all my heart. (:
