“ I will always have fond memories of uncle Jimmie. Some of my favorite childhood memories are of those when us city cousins would be invited out to the "country" to spend the night at the Wittman's. What adventures-horses, fishing, rabbit hunting, basketball under the street lamp, Aunt Wanda's country cookin, hay haulin, Snipe Hunting (dang you Tommie), home made ice cream on the 4th of July, and of course my favorite -being able to go pee out by the fence.

It was always a treat to go and catch up with uncle Jimmie when we both worked at OSU-Tech. Of course the discussion would always end with him raving about his kids and grandkids.

Uncle Jim knew what was important and he will be missed.

“ Dear Wittman Family--

So sorry to hear of your loss, but having the comfort of knowing you all will be together again is such a blessing!!

Jimmie was a great guy!!! He used to tell me (and others) some corney jokes!! The one I remember the most was "Little Rock, AR, Pride of the Ozarks" he would just crack up before he could get the punch line out!! I loved to talk to him about "family" but also about work--he knew & understood like a close knit "working" family would!! I cherish his insight, his thoughts and perspective and his knowledge. I can still see him taking his "siesta" after lunch.

He loved his children, Wanda and the life they had. He was a wonderful man!!

Many thoughts and prayers--
