“ During this difficult time, May the comfort of Gods loving arms carry you through the quiet moments, and bring you peace.

I believe if Jimmy could write a letter from Heaven this is what he would say,

Please dont miss me to much, I;m with you through the day, you may not see or

hear me, but if you're quiet and still, you may just fill my presence; because

in Heaven .there is free will. Don't worry for the day, it will come and go as planned, enjoy each moment you are given, keep worry from your hand. keep sorrow to a minimum;

for if Heaven you could see, you'de know I'm safe and happy, I did not cease to be.

moments in time are brief, as eternity last forever, our lives, they have no end.
