“ So sorry to hear of Jimmy passing. We grew up going to school together, he always had a big smile for everyone and that will be missed. He lived down the street from my mom before she passed and always kept an eye on her house. He will be missed, may you rest in peace Jimmy, no more pain. My prayers are with the family that time will heal. R.I.P Jimmy.##imported-begin##Cristie (Baughman) Little##imported-end##

“ Jimmy made me laugh when there was no reason too laugh, he stirred life up in a bowl and poured it out, for us all too see, and enjoy with him, he lived on the edge and when we were with him we did too... If he was in on what ever we were doing, You knew for sure, it would never be dull, or boreing, but that it would be a memory, you would take with you for life, share with your grand kids and still laugh till you cryed just remembering..what happened, when we were all together shareing Jimmys mixture of life, with him,...I salute you my friend for making my life so much fuller when we were all together, for all the poker games, the lake parties, the way you screamed like a girl when David drove too fast, the time you guys caught the field on fire, while cutting donuts, in an old car, and you climbed up a tree, too escape the range fire, and the memory of the Indian bar, and anyone who knew Jimmy knows these stories, and what I'm talking about...RIP..Jimmy Shandy..GONE, but not forgotten....we will see you on the other side..Prayers for Jimmys family...##imported-begin##Saundra McCart##imported-end##

“ We take different roads in life, I'm proud to say that Jimmy's road and mine ran together in most of our younger years. Throughout that time I was enriched by his laughter and saddened by his heartbreaks. Jimmy had a heart of gold, he has touched my life and I'm a better person for it. Mine and Sandy's hearts go out to Gwen, Don and Robyn, family members and especially his kids.###imported-begin###David McCart###imported-end###

“ I will always remember the great times we had at the lake; racing up the spillway when it was going over, camping on the old side, and fishing. He was always there for me at any time of the day or night all I had to do was call him. It was my honor to have known him. I will miss you brother...see you on the other side. To the family sorry for your loss, sincerely
