“ *We at R & R Appliance are really going to miss Joe's visits with us. He used to come in and sit and talk with us. He was a very pleasant man. He sure did like to pick up pecans. And he missed Minnie so much. But now he is with her. You are in our thoughts and prayers.*

“ I have so many memories of my granfather a man who stepped up to the plate to raise his granddaughter even though his own kids were grown and out on their own he and my grandmother (Minnie Johnson) raised me after my own mother passed. I could not have asked for a better grandpa. When I wanted something and my grandma said no I would go to PaPa he was a softie so i got pretty much what I wanted. He always said "Don't tell your Mama". and I didn't. I am so glad that God blessed me with my son who he nickname "Scooter" He was my grandma' s "little man" but to my grandpa he was Scooter. I will miss my grandpa and I know he knew how much I loved him. Even though he would never say it I k now he loved me to.

When my grandpa took his last breath at St. John Hospital I was there me and his sister. I thank God that I was there and he didn't die alone. I do not know what my granfather's last thoughts during those final hours here on earth ,I just hope he knew that he was truely loved by all that knew him.

*I love you PaPa I (we) loved you
but God love you best.*
