“ I hadn't seen Joe in years...but I have good memories of the last time I saw him. The smile, the kindness, and that laugh. He was one of the few people you could trust. Back in the mid 70's, I remember partying with him at the Beggs Pickle Factory. Ted Nugent and Eddie Money blasting on someone's 8 track tape playing in their car. He was a good little guy and he had a good soul.##imported-begin##Norma Purdy##imported-end##
