“ *When my Uncle and I got together, we would always bicker at one another. I remember when Mom, Dad and I were driving him back home when he lived in Springdale and he threw my toy wooden green snake on Dads lap as he was driving down the by-pass and Dad freaked! My Uncle and I cackled in the back seat! That just shows how ornery he was and who I got that from. I Love You Uncle John!*

“ *I am so proud to say that John Owen was my Brother-In-Law. I will miss him so much. Especially on his birthday when I called and gave him a hard time about getting old. I called him all the time but he always told me that I was the only one who could get by with the things I did. But I told him the same thing cause he gave me a hard time as well. His mom always said 'Never a dull moment when John and Lisa are together.' I will miss him dearly. And I loved him very much.*
