“ Dear Mary and Families, you are in my thoughts and prayers. I just now learned of Johns passing. When God takes one we love so much, we have such a sad heavy heart. That is when we must be thankful for the time we were blessed to have John. He will be with us forever in our hearts, watching over us from his heavenly home. I am sure, God has him a beautiful mansion up there, where he will be waiting with his arms open to welcome each of you home. John was a very, unique gentleman and a wonderful friend..Any one that had John in their life was truly blessed. He was one of my richest blessing with his kind helping way. Mary, always remember how blessed you and John were to have your years together. And the blessing you were to each other. All any one need to do was, hear John talk about Mary and see the light and love he had in his eyes. John would always say, Mary is the love of my life. John loved his family more than his own life, "you were his life, With two beautiful daughters and a great beautiful wife, what more could a man wish for. John brightened the world where ever he was, he will be missed but never forgotten. We will be with him again up there. My prayers and love to each of you, Marti Fulsom

“ So sorry to hear of the loss of John Mayer. My mom watched the girls when they were kids and I remember him coming to pick them up bringing us cookies. He was always so sweet to us.

“ We were neighbors and friends when John and Mary lived on Crestview Dr. The day we moved in, before we even knew them, John brought over his riding mower and mowed our badly overgrown yard. We always enjoyed John's lavish Christmas decorations. John never failed to call to check on "Mr Frank". Mary, Jen & Tricia Lee - so sorry for your loss. We're grieving with you.
