“ *Condolences to the Morgan Family. Johnny befriended me when I started working in the Transportation Department for MCN in 2012. He was always laughing or had a smile on his face. He definitely will be missed by his MCN Transit Family.*

Grief may linger, but it changes (Praise God!). It's a passage, not a place to stay. Grief is not a sign of weakness, nor a lack of faith; it is the price of Love.

RIP Johnny, I will never forget you my dear friend...

“ Johnny, you were a true friend! I have great but funny memories of you, that I definitely can not forget. Each time our paths crossed, you'd ask first how you doing, how's your family Then on with laughter bout something! Your smile and friendly drew people to you. Respectfulness was definitely in your blood.

I always appreciate you when I first met you, and what I was unable to do you did. Then you moved to town. But you was kind to say "if you need something done you know where I work. " Alot of good memories to mention but we will meet one of these days..
