“ *He was the a awesome uncle it's sad we lost contact with each other. I'll miss him joking around with me. When he came home from California I was about 7-8yrs old we all was sitting on the porch I asked him if he would sing me a song he pulled out his guitar sat me beside him and he sung me a song he wrote. I wish I could remember the name of that song. I will cherish every moment I ever had with him. I love you uncle John I miss you very much. Your with momma,pop,mom,and Uncle Len now and God. I know I'll see you again.*

“ *He always told me “if you and Romeo don't work out, don't forget about me!” I'll definitely never forget. He was always so nice and always asked about my family, made sure everyone was doing well. Gonna miss seeing him around!*
