“ *Johna and Julie were some of my best friends growing up. I spent a lot of summer days at their house. We had some crazy times. Donna was one of the greatest ladies I've ever known and I know she is very proud of the woman you become Johna! We will all miss you dearly. I know you are with the Lord and your mom now and watching us all from heaven. I will continue to pray for your family. This scripture made me think of you.... I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing. (2 Timothy 4:7, 8 NIV)*

As your older sister I love you so-so much and I watched you grow into a beautiful woman inside and out. I will never forget the laughter we shared or the tears. Also to thank you for the two beautiful nephews you gave me. Everyday you will be in my thoughts and I will never forget how much you meant to me. Again I will always love you and you will be in my prayers just like mom. Love Always , your oldest sister LaDonna

“ I spent many nights working with Johna at the casino. Our 3rd shift crew was one big family. We were constantly having potluck dinners and helping each other out. In and out of the casino. We use to laugh a lot about life's problems and lean on each other when they times got tough. One of those laughing could be heard clear across the casino floor, and you guessed it, it would be Johna. Her laughter and smile were quite contagious. The finger in the ear thing, she got all of us with that too, guess that is where I get it from as well. I know that my casino family is saddened to hear of her passing, as am I. My thoughts and prayers are with each of you, she truly was a good friend and I will miss her dearly. Rest peacefully my friend.
