“ Growing up I had a lot of fun memories at Uncle Johnny and Aunt Denise’s house. Johnny was always keeping me and Lucas in line when we would get into mischief! He helped coach us in base ball and wrestling. As a kid I thought he fixed every car in town because he was always working in his garage on someone’s car. As an adult I had the pleasure of talking to him about his interests in life. He shared with me that working with his cattle in the fields was his passion. He loved to see nature in all its beauty and had an appreciation for the simple moments that many of us take for granted. In that one conversation he taught me to not be afraid to slow down and enjoy the peaceful moments. He will be greatly missed.

“ Johnny was such a great man and neighbor. Johnny always helped anyone that needed his help. Lord he loved his family and of course his cows. We could not have asked for a better neighbor. Johnny will be greatly missed by all that knew him. I know Johnny got to see Convict Lake in Nevada on his way to heaven. Johnny always wanted to go there. Johnny loved the movie, "The secret of convict lake". Rest in peace my friend. Vicki and Larry Bowen.

Johnny was a wonderful son to the end of his life. I loved to go with Johnny to look at his cows he named each one.

One day he wanted to show a beautiful meadow which was bloomed over with beautiful orange flowers and I said I think I can draw a picture of that. Johnny loved his family and worked very hard when he was young to help his father T.C. Stanley.

After he was married he was so proud of his Family wife Denise sons Jonathon and Lucas. He was devoted to brothers Tom and Jerry Stanley. I told him one day I wish I had given him an additional name he said if you do I would like to be called Johnny Edgar Tittle Stanley. HE was proud Morris was his Mothers Hometown. Johnnys younger years were in Nuyaka OK.

Johnny was a gentleman even when he was very ill he wanted to walk his Mother to her car.
