“ *Jon was one of my best friends growing up. He and I got to spend a lot of time together as young men. I loved his family as they were my own. Jon was there for me countless times when I needed him. I have to live with the regret that I didn't take time to come back and see him any more than I did as an adult. The family gave me the honor of being a Paul bearer at Jon's funereal. I will forever be thankful for that. I think about Jon almost daily, he left this world way to soon. I know he is up there in Heaven smiling that smile down on us and we will see each other again one day. Until then I miss ya brother more than any words could ever express!*

“ I just heard the tragic news today. I am very sorry to hear about Jon. I saw him a couple of years ago, he came in Coleman's bakery where I work and got some cookies. I went to school with him, we were in the same class. He was quick with a joke or always doing something that seemed hilarious at the time~  
Very sad~##imported-begin##Katy Banning (Holleman)##imported-end##

“ My regards to the family and friends. Jon was a great, honest, and interesting man. I met him in May, in Wichita Falls, at the recovery center. I enjoyed talking with jon. He was a honest insight and good friend. A horrible tragedy this is. God can only take a man if He is ready for him. My thoughts and prayers are with you.

“ *I remember meeting Jon in middle school, when he first came to Okmulgee. I think 99% of the girls had a crush on him - all that hair! Jon had such a presence - you always knew when he was in the room. He was such a good friend through our years of school. I have so many memories of joking around with him and arguing about things, that I'm sure at the time, were crucial in our lives as teenagers.*

*My heart breaks for Jon's family and friends. He will truly be missed, but never forgotten. I pray that all of the wonderful memories that you have of Jon help to comfort you.##imported-begin##Casey Moore##imported-end##*

“ *Jon had such a kind heart and was a very humble guy. Its been several years since I've seen him, but we had a lot of fun times together and loved listening to all kinds of good music. I was just wondering how he was doing a couple months ago. I'm sorry I didn't get the opportunity to talk to him the past few years.*

*My condolences to the family, I will always think fondly of Jon!##imported-begin##Lindsay (LaBass) Lindstrom##imported-end##*
