

## Joseph Suede Castleberry

June 13, 1991 - February 11, 2024

We are sad to announce that God took Joseph Suede Castleberry home on February 11th at the age of 32. Suede was born June 13th, 1991 in Okmulgee. Those left to cherish the wonderful memories include his wife, Ariel Castleberry, parents, Mike and Lisa Castleberry, a sister, Destiney Castleberry, two sons that he adored, Laython Castleberry & Kyle Castleberry, and his grandmother, Marilyn Moore.

We will miss his beautiful smile his laughter, and his kind giving heart! We know that he is @ peace now and no longer in pain.

Suede chose to donate his body for ALS research. His dream was to be able to help find a cure for ALS so others did not suffer like he did.

Private family services will be held.

Arrangements have been entrusted to McClendon-Winters Funeral Home of Okmulgee. Memories, condolences, photos and videos may be shared with the family on Suede's Tribute Page of our website. [www.mcclendon-winters.com](http://www.mcclendon-winters.com)

“ I just saw the obituary in the paper. Suede was a great friend to our son Michael during Middle School. He was always ready for an adventure. One weekend he went to Branson with us on the way up he said he really didn't like country music. That night at the Country Jamboree he was clapping, laughing and sharing that great smile with everyone! All weekend he said he was so happy he came. His parents were so sweet to let him come with us. I will remember all the good times we had with him in our home. I know he will be missed. Love to his family.

Thank you so much for sharing your beautiful story with us! I really needed to see this right now to put a smile on my face! He really loved Michael and always enjoyed his time with your whole family! He would come home and tell us such wonderful stories and how much he loved all 3 of you! He would tell us how nice you were and how he would play games with Michael and his dad. He just loved your whole family and we are so thankful for the time and happiness that you all gave him! Thanks again for your story!

“ My favorite memory. Lisa was probably mad at us all. Suede and a few other boys stayed the night and I wake up and I am talking to suede and thinking man something is off, but just can't put my finger on it. Then I look at one of the other boys and they are missing one eyebrow. Look back and Suede and he is missing both eyebrows. Now he had some good eyebrows and I am like oh man you guys I have to call parents and tell them that you guys shaved your eyebrows. These boys were a mess but I loved them. Some days wish I could go back to when they were just silly little boys. Love you Suede.

lol I wasn't mad @ you @ all.... When Suede came walking through the door I know my eyes were popping out of my head bc he looked like the boy out of the movie Powder and just looked like he was sick with cancer. I honestly didn't know what to think lol. But we can look back on it now and laugh! 😊 Glad he had some great friends to share his life with! Thank you for always being there for him!
