“ *Your Daddy was an awesome man of God!! He finished the race leaving behind three beautiful daughters to continue on their race. Mr Joe was a kind loving example of what a father should be. I always thought you girls were lucky to have such a father. As I grew up I realized the most important thing he did for you was bring you to church. Because this is where I met you and we began our journey as friends. We can learn a lot by his example of Christ. I'm forever thankful to God for allowing your family into my life. I'm blessed for knowing the McNac Clan.*
