“ Joy, or Grandma Joy as my sister and I called her, was a huge part of my life growing up. She was one of my mother's dearest friends, helping her through life's experiences with laughter. I will always remember the many trips to football games and basketball tournaments as some of the fondest memories of my growing up. My thoughts and prayers are with her family, as I know she is greatly missed.##imported-begin##John VanEron##imported-end##

“ Joy was such a help to me when I started teaching at Beggs, then she became a good friend! She, Mrs. Keys and Mrs. Van Eron and I had many fun times together and often laughed so hard that we hurt! My prayers are with all your family.##imported-begin##Jolene Munsey Flowers##imported-end##

“ I have known Henry all my life and Joy since they were married. They were such an inspiration to me as a young person and just as much working beside Joy as an adult. I loved working with her in the Chamber and her heart was in the future of Beggs and what we could do for the city. She spent many volunteer hours working for Beggs and I am not sure people really knew the time she spent without pay to help this town.  
My prayers are with the family and it is a big loss for everyone!!!!
