“ Sue was my running buddy back in the 80's. We spent many hours together...laughing, late night talks, road trips...singing along with the radio up... Tee tops off. She always looked classy & dressed to the nines. We had a Thanksgiving dinner together one year, and she cooked everything, and it was so good. I will always remember our girls playing together at the pool...and Sue making us the best fudge at midnight...eating it right out of the pan. She lived life to the fullest, and thought the world of her children & grandchildren. I still can't wrap my head around this...Today she is with her parents...has a new body, feels no pain..knows no tears...and had seen the face of Jesus

“ I still think of talking to her again. Remembering old times. You passed away one day after the anniversary of my dads passing. You and Dallas were at the lake with us the day of his heart attack. Will never forget that day or all the memories we share. Love you as always.

Such wonderful memories the Barrett family has of our times with the Chambers. Sue was a great gal who loved her family, friends, and enjoyed her life to the fullest. She is in God's hands now and we will see her again. I'll miss her, but I know she's in a far better place.
