“ Praying for all of you. She was one of the sweetest women I know. Also she was hands down the best cook. I remember at church potlucks I would ask what she made and fill up. When I was a troubled teenager who needed a place to stay she took me in. Didn't drill me with questions just always had a smile on her face. Looking forward to seeing her again someday.

“ So sorry for the loss of your Mother Rachel, Rebekah and John. June made the best banana nut bread and thumbprint cookies! I will remember her often during the holidays. Heaven has gained a "Betty Crocker" Angel.

“ So many and all priceless. Growing up on the same block in our little town of Morris with Juney. I couldn't have asked for a better scenerio in which to grow. June was a hoot then and now she is having a hoot with Jesus. So thankful for Jesus and being able to know June. Many condolences to her family and her friends that were her special family.

June was a good friend and we used to visit at church and each other's house before John and Rebekah finished school. She was a great person. I will miss her. My prayers are with her family.
