“ Ohhh, my Dear Sweet Boy, where do i start???

When i met you, i could tell you were a wildfire. Not in the sense you would ever destroy anything, but for ALL the light and warmth you would give to anyone and everyone around you.

You were so little when i saw you first. Only 8 or 9, and my God, were you loved...

*You were Teagen's Best Friend. I was shocked to see how 2 siblings of the opposite sex could relate so much, you always protected her**

You were funny. You loved to make everyone laugh! My boys remember that the most. I remember that, most.

I also remember the time you and your sisters spent the night, and we made a big pallet in the middle of the floor and i had like 7 kids in the middle of the floor watching movies and you wanted me to lay down by you. That made my heart smile. You made everyone's heart smile, Kace Gage!!!

The last time we saw you, will NOT be the last time we see you. We love you, Baby Boy.
