“ *My dearest grandmother, how I hate to see you leave us all. It does not seem real.. I still can't believe it. We have had so many memories together that I will never forget. At least I know you are no longer suffering from the pain you were having. I wish it could all just be a dream. May you rest in peace with my sweet grandpa James & both of my loving uncles. You will forever be missed & loved. Until we meet again with much love, your granddaughter & your great grandchildren 🥺💔*
