“ This man taught me more about baseball in one year than all other coaches did my whole life. More importantly taught me even more about life as a tremendous role model and human being. I am extremely grateful to know this man from childhood. He will be missed by so many that he touched with his love and kindness. Until we meet again in Heaven. I love you Keeper.

“ *THE BROKEN CHAIN*

We little knew that morning that God was going to call your name.

In life we loved you dearly, in death we do the same.

It broke our hearts to lose you, You did not go alone;

For part of us went with you, The day God called you home.

You left us peaceful memories, Your love is still our guide.

And though we cannot see you, You are always at our side.

Our family chain is broken, And nothing seems to be the same.

But as God calls us one by one, The chain will link again.
