Kellie even in her down times never let life's miseries hold her down, constantly giving God the praise and the glory. I am so glad we went to school together, we had fun in getting to know each other and helping one another. I remember when her dad and mom picked us up one weekend at Bacone to bring us home and her dad stopped and treated us to a burger and fries at a hamburger joint going out of Muskogee. It was very tasty and it was very much a blessing. I remember when Maya was about to be born and how excited Kellie was, I am so glad she spent her time with her granddaughter, nothing is sweeter than that. But wholeheartedly Kellie is a true ANGEL. She will be missed on this earth, but I can see her now in heaven at peace but still watching over her children, grandchild, and her family. Sing with the Angels Kellie.

“ My sincere condolences to the Tiger/Gunn family. Kellie was an Angel in disguise. She always was so thoughtful and loving. If you tried to encourage her, by the time you left her, she was encouraging you. That is just the type of person that Kellie was, she had a heart of Gold. Her smile was contagious, she always had a smile even when she wasn't feeling well. Kellie, Rest in Peace! Gone but never forgotten.
