“ My deepest condolences to Kelly's dear family. Kelly was a dear lady that will certainly be missed. Even with a firm hope for the future, death is still accurately described as an enemy. So we can't help but feel the void when someone we love dies. The Bible however, holds out a hope that we may see our loved ones again as John 5:28-29 says: 'all those in God's memory will be brought back to life' right here on a peaceful new earth according to His promise at Psalms 37:9, 11. I hope that this will comfort you during this difficult time.
