“ *KennyJean, was such a sweet and kind soul. She had tons of friends and she was a great friend to many people. She loved her kids and grandkids fiercely. I had not seen her in years, up until a few months back, and we reconnected. Our friendship was just like the last time I had seen her. We laughed and had such a great time. We picked right back up where we left. It's hard to find true friends like that. She will be missed by many people. Rest in peace sweet sister. Until we meet again. God Bless You Kennyjean and sending prayers and condolences to the family.*
