“ *I've worked with Kristina over the years. We initially became connected through our careers as we were both bank Compliance Officers. Kristina was very knowledgeable. We often bounced compliance questions off one another. We quickly became friends as well. I was so excited recently when she agreed to join the Compliance Team at Regent with me. I will miss getting to work directly with her. Kristina was an amazing person. She was strong, smart, beautiful, kind, etc. She loved her kids and life. I feel so very blessed to have had the opportunity to know her. She will be dearly missed.* ”

“*Kristina worked with me at Bank of Oklahoma. She was so smart, kind, loyal, loved her family to the moon and back, and made a real difference in the work we were tasked to do. My heart aches for her family and friends. She is gone too soon. I know our group at BOK will continue to lift you up in prayers. The world is less bright with her passing.* 🙏🙏🙏

I'm so blessed to have met Kristina about 20 years ago and will cherish our friendship forever. Kristina will be missed by so many as she had a heart of gold and would do anything for anybody. She was so smart, witty, always there for you and just a joy to be around. Love you sweet friend*
