“ LaDonna and I used to ride horses together when we were about 14. I remember falling off and we laughed so hard we wet our pants. I saw her years later when she shampooed my Mom's carpet and we just picked right up where we left off it seemed. She was so precious. I've read the book "90 Minutes in Heaven" and I know she is so thrilled it would be boring for her to reenter earth. The loss is so great for those that knew and loved her but life is so short, it won't be long and we will all be there praising our Lord and we shall meet again. Knowing that is a comfort. My heart is saddened for her husband, Donnie and her children and families. Fervent prayers for all of you.

“ I had the pleasure of speaking with LaDonna about a year ago as she came to our home to clean our carpets. I hadn't seen her since the 70's. I was so glad to see her. She did tell me that she was going to church and I'm so happy for that. Our family have known the Catlett, Grammer, and McElhannon family since we were very young children right here in Okmulgee. I always remember her sweet personality. My prayers are being sent to all of her family and friends for comfort and peace and for them to hold on to their faith in our Heavenly Father and his grace and mercy to us through our Saviour Jesus Christ who gave us his gift of salvation and taught us how we should live. I trust that LaDonna is wrapped in God's loving arms in peace. We care about you all. Phyllis Goodwin & family.

“Ladonna's passing is going to leave a void in every ones life she encountered in her 60 short years on this life. Everyone she met felt better just meeting her. If you had the pleasure of spending any time with her you were happier for the experience. The last time our church family got together was for our Christmas dinner. Ladonna showed up with her aw some food and a sack of pecans for her church family. I will never forget the story she told me of how she taught her children how to clean house. She said that she would let them watch a cartoon then they would clean an area then they would watch something else, then back to cleaning. Another words she made a game of housework.

*I don't know why God called Ladonna home so soon?? I know He has a perfect plan for our life. We just will have to trust that He knows best. Don you had 43 years with your best friend. Not many men can say that. When you remember Ladonna see her laughing with all her friends and family who have went to Heaven before her.*

*Just keep loving our Lord and know that*

*Ladonna is waiting for you to join her when your work on earth is finished and God calls you home. You have children and grandchildren that will need your strength and love.*

*Keep the memory of Ladonna alive for them by telling them fun stories of your 43 plus years together.*

*I will be praying for you and your precious family.*

*Love & prayers,*

*LaDonna was a friend, neighbor and classmate. She taught me how to walk upside down on my hands and even climb a couple of steps, while walking on my hands. LaDonna taught me how to whistle using my fingers, really loud!!! We rode the bus home together many days. She will have fun in Heaven !!*
