

## Dr. Larry C. Christy DDS

May 8, 1944 - September 16, 2017

God lead Dr. Christy to his heavenly home on an idyllic September day, while outside the bedroom window, humming birds extracted nectar from the lantana and butterflies fluttered from blossom to blossom. He was surrounded by his family as he was escorted into the gates of Heaven. Larry was born on May 8, 1944, in Chandler, Oklahoma to Carl and Zelma Christy. He attended school at Wellston, Oklahoma being proud of the fact that he had 12 years perfect attendance. Larry graduated salutatorian of his high school in 1962, serving as their class president for 55 years, organizing reunions and keeping close relationship with his classmates. He married his fellow classmate, best friend, and high school sweetheart Zandra, they recently celebrated their 53rd wedding anniversary. Larry graduated from St. Louis School of Dentistry at the age of 23. He served as a Lieutenant during the Vietnam War in the United States Navy. He and Zandra decided to return to Oklahoma to begin his dental career, wanting to settle in a community with great fishing and hunting, they chose Okmulgee. He became active in the community serving in many capacities in the Eastern Oklahoma and State Dental Association. He served on the Beggs School Board for many years, and this year, at the age of 73, was elected to his most recent term. He was a generous supporter of the youth at the Okmulgee County Spring Livestock Premium Auction. He was also active in the Oklahoma Polled Hereford Association, and the Kiwanis club of Okmulgee. Larry loved his family, cattle ranching, hunting, John Wayne movies and finance, being a financial mentor to many young people. After

their retirement he and Zandra spend many hours on their pontoon boat fishing for crappie and sand bass, filleting and giving them to former patients. Larry has been known to smoke 17 chickens at a time delivering them to his neighbors at the lake and smoking hot links for his sister-in-law. He was a man loved and respected for his character, he never expected more than what he himself was willing to give, whether it was time or money. He will be missed, especially by his wife and children Larry Todd Christy, Jamie and David McCoy, Tonya and Rob Hawkins, Dr. Tyson and Kristi Christy, grandchildren C.J., McKenzie, Dalton, Daxton, Colin, Cole, Baylor, and Tessa, his brother and wife Tommy and Frances Christy, and special-like-family friends Daryl and Charlotte Contreras. Larry said as a kid he had three goals, to always have a cold coke in the refrigerator, eat steak at every meal and become a millionaire, he said attaining two out of the three wasn't bad! Larry will forever be remembered by his grandchildren for two favorite sayings "Life's not fair" and "Make wise choices" He ended all person correspondence with "Keep Smiling!" He entered Heaven "smiling!"

A memorial service for Dr. Larry Christy will be held 11:00 A.M. Saturday, September 30, 2017 at the Crossroads Baptist Church with Reverend Travis Markes officiating. In lieu of flowers the family ask for donations be made to HANDS Changing Legacies, P.O. Box 126 Glenpool, OK 74033.

Arrangements and Cremation services have been entrusted to the McClendon-Winters Funeral Home of Okmulgee.

Memories, condolences, photos and videos may be shared with the family on Dr. Christy's Tribute Page of our website at [www.mcclendon-winters.com](http://www.mcclendon-winters.com)

“ It was such a joy and pleasure for our entire family to have known Dr. Christy for so many years. He never met a person that he couldn't find common ground for a "deep" discussion from cows to politics to fishing to you name it! He was a man of integrity whose Christian ethics led him to be a good husband, father, friend, school board member, and "all-round" good guy! Don't find too many of these people around any more. We pray the family finds solace in knowing that he is "fishing" with Peter and the other fisherman who walked with Jesus. We know there are plenty of deep discussions going on today. Our thoughts and prayers are with the family during this time of loss and transition.

“ *We were so shocked and saddened to hear about Larry's untimely passing! I'll always remember all the good times we had with Larry, Tommy and JimBill when we visited Uncle Carl & Aunt Zelma from California when we were all kids...  
And I'll always remember Larry as we grew older as being the one with the "level head on his shoulders"-- somehow he always seemed to know what was the right thing to do and he did it !!  
HE WILL BE MISSED!!*

“ My heart goes out to Zandra and family. They were my second family growing up in Beggs. Larry was a great example for me showing how you can be successful in all areas of life with family, business, and his faith. His advice to me as a young man helped me in all those ways. He was a man that influenced my life in a positive way. We all should hope to be remembered like that Love you all

“ The Allen family sends our condolences. We have enjoyed conversating with Dr Larry during appointments and when he was telling us the good places to fish. When I was younger he asked if I could whistle, I said no. So he fixed my front teeth so I could whistle. I ( Chad) really thought a lot of Dr,. Larry after he got my whistler working. He will be missed by us and the entire community.

Larry was not only our dentist but a very good friend , we bought cattle from him and watched as his family grew up and went their ways.He always treated everyone with great respect, kindness and fairness, It is with great sadness we see him depart us, however we know that with his belief in Jesus Christ he is now in his heavenly home and we'll see him again. We pray for the comfort and guidance for all his family, GOD BLESS.*

“ All of my memories with the Christy family are wonderful. But I think my favorite ones were when Larry and Zandra were working and Jamie and I would cook dinner ( spaghetti) and when they would get home we had the table set and dinner ready. It was always such a warm and loving home. All the times I would go to church with them your swim out there in the pool or just stay all night and of course we always had Bible study. He will be missed very very much. At least we can take comfort in the fact that he'll be sitting on a cloud watching everybody and keeping everyone safe. My prayers are with y'all and my heart goes out to you.

“ Doc wasn't just my dentist for years but a family friend. i never understood why on sitcoms the people were afraid to go to the dentist. Doc and Zandra made it feel like just going to visit friends. It always amused me that they both seemed to understand my mumbles to their questions as they got on with whatever they had to do regarding my dental health. They never failed to ask about my siblings and parents and to fill me in on what their family was doing at the time. Doc was a man I was proud to call a friend and I am sorry that he is gone.
