“ *Great old friend. Plenty of good times, riding bikes together. He had a gentle soul, and will be very much missed.*

“ *Aunt Paquita has fond memories of visiting Larry Carl's garage with Aunt Ellen. She couldn't believe that he had over 100 motorcycles. Larry Carl has visited mom many times over the years and they talked about his love of motorcycles and old cars. Sometimes Uncle Mike would come with him when he was here from California. Of course Mike loved motorcycles as much as Larry Carl. We are very sorry for your loss and send our prayers to the family from the Webb branch.*

“ Recently I was with Larry working on his '49 ford and the Toyota Chanook. Had the chance to spend the day with one of my oldest friends. Working on cars, telling stories , and just living the day . I'm thankful I spent the time with him . I will miss my friend Larry "The Wrench" Newstrom
