“ *Judy and Family,*

I am terribly sorry to hear of your loss. We hired QED and I personally worked with Laverle and Judy for several years. Laverle was one of the happiest and easy-to-work-with people in our business and always had a can-do attitude. He will be missed by everyone that knew him. -Matt Briscoe

“ I am so sorry to learn of Laverle's death! It was an honor and a pleasure to do business with Laverle and visit with he and Judy. I recall his excitement after purchasing a 3D printer and talking about the possibilities it offered. And I recall visiting with everyone while we shared Coney Islander hot dogs at lunch. I always looked forward to visiting QED , Laverle, and everyone who worked there. Mike Miller- Retired from M&D Controls

“ Our families - the Mitchell side & the Hodge side - intertwine since before Alecia & I were even born, back to when Judy & LaVerle were attending OSU Tech here in Okmulgee.

Of course, Alecia & I would get to know you all as our teachers in the Youth Group at First Baptist Church in Okmulgee (wonderful memories)!!!

Judy, Chris, Staci & Tammra, our hearts are heavy for you all, and you all have been & will continue to be in our hearts, thoughts & prayers.

We love you all so much.
