

Lee "Allan" Brantley

March 19, 1964 - September 18, 2022

Lee "Allan" Brantley, passed too soon from this life on September 18, 2022, in Tulsa, Oklahoma at the age of 58. He was born to Clarence and Marsha (Boyd) Brantley on March 19, 1964, in Blackwell, Oklahoma. When Allan was four, he and his family moved to Boss, Missouri where he grew up on every country road in Iron County. He went to grade school at Boss and graduated from Viburnum High School in 1982, where he made lifelong friends and brothers. He later attended Mineral Area College on a Cross Country scholarship but his real love fell to being a cowboy and bull riding. Allan met his future bride Lee Ann Rice in the midst of Cowboy Christmas at a rodeo in the sweet summer of '91. Seven months and seven days later they were married on February 15, 1992, in Beggs, Oklahoma. He and Lee Ann raised their two children and numerous bucking bulls on their family ranch. Allan worked in the drilling industry for over 37 years. He started Mohawk Drilling 20 years ago and was nearing retirement. He also was a professional bull rider until 1994 after a life-threatening injury on a bull in Cassville, Missouri ended his career. He went on to raise some great bucking stock including his beloved bull "Indian Outlaw" who was buried at the age of 18 last year at their 4B Ranch. Allan loved the ranch life and tending to his cattle. Soaking it all in and reflecting on the days gone by were among his favorite things every evening after work in the barn. Weekends were full of work and wisdom for those needing it. There were no days "off" for the cowboy who continually said, "There is always something that needs to be done." Furthering his love

for rodeo and bull riding he belonged to ACRA-American Cowboys Rodeo Association, CRRA-Cowboys Regional Rodeo Association, IPRA-International Pro Rodeo Association, and PRCA-Professional Rodeo Cowboys Association and as a contractor with BRI- Bull Riders Incorporated. In his most recent years he enjoyed competing with his favorite bulls at team events, where he was very successful and highly thought of. As their children were growing up in the Beggs Community, Allan was very involved with their activities and sports. He served on the Tri-County Little League Baseball Board for many years, coached Little League Football and Baseball, was roped into being on the Chain Gang at the high school football games, and attempted to help out with Tanner and Brooke's track careers in high school with all his expertise. He was more than proud of all that they accomplished.

Allan is preceded in death by his parents Clarence and Marsha, brother Garen Brantley, and father-in-law Gene Rice. He is survived by his wife Lee Ann Brantley, son Tanner Brantley, daughter Brooke Brantley and Quincey McDonald, mother-in-law Cathie (Cooper) Davidson and husband Charley Davidson, sisters-in-law Lisa Driver and husband Steve, Laura Macom and husband Clayton, Dee Ann Suazo and husband Kevin, nieces and nephews Nikki Edge, Jakki Brockes, Jessica Snodgrass, Jessica Driver, Micah Driver, Dakota Macom, Colt Macom, Savannah Macom, and Devin Suazo, numerous cousins and a host of great friends that are like family.

“ Allan was one of a kind cowboy! Larry and I will miss him so much! Allan and Larry seemed to share so many injuries messing with the bulls or just general work on the farm! It was a joke about who was going to the ER next! We will miss his wonderful smile and welcoming! Till we meet again our friend 😭

“ I hauled hay with allan in my teens and we would swim in pond to get the hay itch off of us. Run track relays together and other sports in high school. Also got to see him win a bull ride in arkansas. He was a great classmate and a great friend he will be missed

“ Allan had a hay hauling crew when we were kids,he hired me to help one summer,I show up my first day and Marsha (Allan's mom)takes one look at me(I'm not a big guy)and says we don't need no truck driver
i assured her I had no desire to drive because I wanted the whole 5 cents a bale,turns out she was the driver!
That was over 40 years ago and I still laugh about it to this day.
They were phenomenal folks ,Allan will be missed by all that knew him!
