“ *My heart is broken. Linda was a treasure in my life. After meeting and working together, she knew my family as well as I knew hers. She was a trustworthy person who you could tell anything. Linda was full of Love for all she knew, especially the babies. She cared about them all. I love you my friend, and you will be missed by all who knew you. I know your smiling that big smile right now, looking down on all those who Love you so dearly. Rest In Peace, my dear friend.*
