Condolences to Linda's family. Linda shared a room with me for our last three HS reunions. We talked a lot. Linda always talked about John and how she missed him. Since I believe they are now together, I am so happy for her. I will miss her; but knowing she is happy again; all i can do is smile.

“ *I was a classmate of Linda's in McAlester, OK and graduated with her in 1968. She was so fun to be around, and I had many occasions to visit her and her parents. I remember that she loaned me sheet music when I participated in the Miss McAlester pageant 1968 and helped me with my singing performance. I only saw her at class reunions after we graduated, but she never failed to be the fun person that I had known in school. I don't know anyone who had more friends! And she loved them all. Rest in peace, Linda. We will miss you so much! Merry Bagby Duggin*

“ Linda was a very close friend of our mother Peggy, and of our family as well. Linda and Peggy spent a lot of time in the summers pool side, their favorite thing. Linda and Peggy are reunited once again now, I'm sure they're having a blast together again. Our Condolences from the Ellis Family

“ Linda was one of the first persons I met when I moved to Okmulgee all those years ago. Her life changed with the birth of John and there was never a happier mother/son duo. To be reunited with John in eternity was surely her fondest wish and I know she'd not want her loved ones to grieve but rather know how happy she is at last.

“ Linda has been a friend since 1972, life happens & then I ran into her ago about 2015. Along with other friends from the 70's joined in & we began our adventures again. Linda loved Sooner football as I did. I hosted many games at my home over the years. I loved Linda & the friends we had & the moments we shared
