“ *Bullhead didn't hold back when he was telling you like it is. He said either accept the truth or stop asking me what I think. I sure been missing our talks. Could use your "wise words of wisdom" as you called them lol. I hope one day we will find out the real story. Until then, I'm just going to be happy for you. You up there with your mom's. Just like you said you would be. Love you.*
