*To Lindell's family: I don't think I had seen Lindell since graduation. Thanks for this video to affirm that he had a good life with a loving family. I am proud to know that he was an OSU grad and fan I hope like me. I remember the Lindell that was quiet but kind and caring. He probably never knew how much he was respected. High schoolers are usually too self-centered (I was), but I am glad I knew him back then and pray that his family knows that he did touch lives that never let him know. I know that God has welcomed him into His loving arms! May your family feel his peace. DeAnn Stinchcomb*

“ I will always remember our trip to Grand Lake. We had such fun and I remember how calm you were when we had to go rescue my brother at night on the lake. You cooked up some yummy food (beer butt chicken) and just enjoyed hanging out with the family, having an adult beverage and then chaperoning mom to the casino. Although you guys came back empty handed the trip was rich in family. Love you Uncle Lindell and God Bless You! Rest in peace with our loved ones who were surely excited when you came home.
