“ *My sweet, beautiful Aunt. You use to make me designer clothes for my Barbies. You were so talented and I had the best Dressed Barbies in Oklahoma. You always made me feel loved and gave me the best hugs a girl could want. You then passed your fur coat to me and I loved wearing it because I felt glamorous like you looked when you wore it. I will always cherish our special moments. Love you Aunt Etta, RIP and we will see each other again some day. Love Gayla Snell*
