“ Loyd,

We traveled many miles together on the ole school bus, we have walked many miles in the woods on moonlit nights listening to hounds barking, we rode horses all about town and all over the country as well, we rode those ole horses (Shotgun and Andy) in parades and in grand entries at the old, really old, rodeo arena. We drove old tractors pulling make-shift wagons out to the game refuge where we camped, fished, and crossed over the river on the old swinging bridge to "Ox Bow Island." Then we struck it rich and bought those first "hot rods" we all enjoyed. Life was simple and we were blessed.

Along your trail ride of life you never hesitated to stop and help those in need, and you have always given generously of your time and expertise. Your sincere friendship has touched countless thousands and lighthearted encouragement has always been a blessing to all who knew you. You have truly lightened the load of the weary and brightened the day of those who needed to see the twinkle in your eye and your kind smile. You have blessed us and we thank you!

Happy trails to you dear friend! To God be the Glory!

“ I remember Loyd & Kathy when the Nuyaka Church was first built. Hope I remember right, that one of the first services was held before the church was finished, no roof. We have known this family since the children were little, through several bible schools and know how much Loyd will be missed by his family. He fought a good battle. Whenever I asked how he was doing, he always answered positively, good! Farewell, God's god and faithful servant.
