“ Awe this makes my heart so sad. Lucille or Mrs. Edmonds as I called her was such a sweetheart. I dated Marvin for a little bit as a teenager & she always told me she loved me. Came to my graduation, bought me a gift & told me how special I was. All through the years we'd run into each other & shed hug me with such love. Her smile & laughter would brighten any room. Terri please give Marvin Dale a big hug for me. Prayers for you all ! Love y'all !

Such a precious woman of God! I've been where all of you have been and I know how hard it is to lose your spouse and also to lose a mother but if I can encourage you in any way, know that she is ok, now! When she took her last breath on this side, she took her first breath in glory! Heaven's a sweeter place because of her presence. Love all of you and I so loved her!

“ I loved Aunt Lucille and my heart just breaks for each of you. She was such a good person and I spend many hours during my lifetime laughing with her. I will never forget the years we worked at Braum's together. She sure is going to be missed.
