“ *Ernie,*
I'm really sorry to learn that your mother has died. Larry told me today. You are going to miss her a lot, I can tell you. I still think of my mom at least a couple times a week, and she's been dead 25 years. No one can ever replace our mothers and all they stood for and taught us and shared with us. Hang in there, my friend. We know she has moved on to a better place than we can ever imagine. Now we have to do what we can to join her when we are called.
