“ *My Aunt Madonna was so funny and loved to laugh. She was so little bitty in stature for so long but was fierce in spirit always. She was so strong with her illness that it was amazing to watch her get along as if life was easy. Well that is what I got from the take she always had more to give back no matter what. I love and admire her for all she went thru. I know she is in Heaven playing Bingo with all her friends. She will be missed greatly always. I was blessed for her to be my Aunt. I love you and will not ever forget you. Joseph S.*
