“ *Mrs A was a wonderful lady, so nice and kind and always smiling! One of the great neighborhood Moms of all time, always ready with Koolaid and cookies. She was also so supportive and positive in every way while we were growing up - she was just an amazing and loving mother! She also raised some very remarkable young men who I know will miss her very much. Our family's thoughts and prayers are with you all,*

“ Mae was as gracious and kind as she was thoughtful. The small crystal pitcher she gave to me many years ago sits on my kitchen counter - reminding me each day of her thoughtfulness. My sincere sympathy to Art and his lovely family for their loss of a very special person.

“ Dear Arterbury Family -

We are very sorry for the loss of your wonderful loved one. She, as my Sunday school teacher when I was a teenager, was special to me because she taught me about how to live a life involving the "Golden Rule". I have worked hard at that mission and thought of her when I knew I could have done better. She was also so good and kind to our sister-in-law Shari and her family over the years. She lived and put into action those lessons she taught to many. We pray for you to have peace and know that she made a difference for so many people.

“ Dear Alvin and family: I am so very sorry to learn of Mae's death! She was a very special lady and my family got to know her very well through church activities. She taught Sunday school and art projects with all my children and was a kind and patient teacher. I especially thank you for the care you provided Robert, visiting with him and taking him to cancer treatments when needed! I share your grief and pray that God will be with you and the family in the months, weeks and days ahead as you mourn Mae's death. My prayers are with you and your family. God's blessings to you and the family. Caryl Taylor and family.
