

Margaret Carney-Myers

November 24, 1957 - February 2, 2016

Hippie, Environmentalist, Forward-Thinker, Champion of the Oppressed and youngest sister of the Carney Clan, Ms. Margaret Marie “Peggy” Myers (Carney) departed Earth peacefully on her Mother’s birthday, February 2nd, 2016. Born on November 24th, 1957, Pretty Peg set out to change the world, whether it be through cheerleading for the Okmulgee Bulldogs, teaching people in Harvard Square how to play the game of “Pente”; raising her two children Sophia and Samuel; working for environmentally friendly companies in Boston; or simply raising Rhode Island Red chickens and tomatoes with her newly-found life partner Greg Walker of Tulsa, Oklahoma, Peggy (often times referred to as Margaret) could truly say that she did it “My Way” (homage to Frank Sinatra).

Peggy was preceded in death by her parents, Georgina and Tom Carney, sister Colleen Crutchmer, brother Tom Carney and niece Jane Hill. Peggy is survived by her children Sophia and Sam Myers of Washington, D.C. and New York City, NY, respectively; foster daughter “J”, Pat Rebsamen of Ft. Myers, FL, Becky Hill of Woburn, MA, Kathy Reins of Owasso, Mike Carney of Tulsa, cousin Ben Thorman of Tulsa and life-long friend Retha Ramey along with a multitude of nieces, nephews, friends and others fortunate to cross paths with this extraordinary, unique and caring lady. As Peggy might say, “BE the change that you wish to see in the world.”, (Mahatma Gandhi).

A celebration of Peggy’s life will be held at McClendon-Winters funeral home in Okmulgee on Saturday, February 6th, 2016, at 2pm. In lieu of flowers,

Peggy would have preferred that you donate to an environmentally-active charity of your choice.

“ *I'm so glad Peggy and I (Cousin Judy) connected a few years ago. She and Cousin Kathleen came and stayed with us and we had a wonderful time. She was so much fun and we had many laughs together. We shared family stories and thanks to Duane Carney who helped us find our family we were able to create a wonderful bond. My heart is broken. I will never forget her. Love you Peggy. RIP*

“ *Margaret walked into a room where I was giving a talk in Boston in 2009. We had never met. I had never seen her photo. But I recognized her immediately -- a kindred spirit! I swear we would have known each other if we had just passed in the street. As so many others have said, she had a special brightness and a really big, generous heart. It is difficult to imagine the pain you, her family and friends, are feeling. You were truly fortunate to have had her in your lives. She is missed from coast to coast.*

“ Our dear sister-in-law was a ray of sunshine and a source of constant positive energy. All she wanted to do was to help others. And that she did until her last day. We were privileged to have her for 58 years. May her memory be a blessing to all who knew her.

“ I'm so sorry to hear of your passing Peggy. I know you and Greg truly cared for each other and it showed very much every day. You enjoyed each others company more than any other I've seen. .

As for her family and friends I know you have lost a true treasure. Peggy and I had our differences, usually along political lines however you opened my eyes and enlightened me to a different way of thinking about some things.

May you rest in peace.

“ Peggy and I have been friends for 50 years, and in so many ways a sister as much as a best friend. Over these years, we would talk weekly, if not daily about events, our families and discussed everything imaginable. We both loved the outdoors, enjoyed fishing and had adventures that would always turn out fun. Out of these adventure we created a treasure trove of memories and I will always cherish the moments that we spent together. I am blessed to have known such a beautiful person. Our friendship was more than these simple words can express.

“ I am having a hard time accepting Peggy's passing. Peggy worked with me at Katz Dept. Store, Ada; while attending college. And in those few years we grew very close. She spent a lot of her time in our home. Peggy was more of a Daughter than employee. My thoughts are with her Family.. Henry Katz

“ You were a gorgeous toddler, dressed in a white puffy-sleeved blouse and a pink pleated skirt with pink suspenders. You had two pigtails, pink bows and a smile that outshone the sun! You were our Pretty Peg, #7.....you were "Peg O' My Heart", my dearest confidante and the one who knew me best. We would say to one another, "Love you so, always have, always will....cradle to grave". I just never thought it would be you first. I miss you, Peggy.
