*Remember her in school, barely. I wasn't smart enough (and/or apply myself) to be in any of her classes. She always seemed to be polite, very quiet and very smart young lady. Know that she is no longer suffering, in any pain or worry that she has struggled with the last 5 to 10 years that I know of. Peace be with her and her family & friends.*

“ *I knew Margaret when we were students at Okmulgee High School. I thought the world of her. She was warm, endearing and had great quality of character. I'm deeply saddened by her passing, but I also feel fortunate to have known her, if but for a little while.*

*You are so right Tommy. And smart. She is the only reason I got out of Latin. We were neighbors and her mom lead our girl scout troop. Would love to have known her as adults. My love to her family.*
