“ *Pat, David and Megan,
You had a jewel in Margaret. She was loved by all and she loved everyone. She was our Mother, adviser and comforter at the beauty salon. So many happy memories with her, Still have some of her flowers growing in my yard. She made everything and everyone grow with her patience, smile and charming personality. She love you all so much and was so proud of the care you gave her when she needed it. She will live always in our hearts. Your card was returned to me as a wrong address. Give me a call, we are in the book. Thinking and praying for you and your family. Hugs, Linda and John French, Wagoner*

“ *I had the privilege of working with Margaret for many years at Gable Gotwals & Hays in Tulsa in the 60's and 70's. Margaret was a faithful and talented employee and we all enjoyed her presence. She had a wonderful disposition and made our office a much better place to work by her presence and sense of humor. More importantly, she was a very proud mother, mother in law and eventually grandmother. I recall many days beginning with hearing of Megan's progress as a growing infand-child- and teenager.*

Pat -- I am out of state until May 6 and will be unable to attend the service Friday, but you will be in my thoughts and prayers. Jim Sturdivant
