“ *I had always heard nothing but good words about Margaret Robinson, but did not know how so true they really were until I starting working for John, her son. She was such a Classy woman with such a great sense of humor. She will be so missed by her children and the many lives she so touched here in Okmulgee.*

“ *She was Mrs. Robinson to me and I thought of her as the perfect mom. I always felt welcomed at the Robinson estate where I had so much fun with dear Ann! If Colleen were here I know she would have great memories, too. My very sincerest condolences to all of the family.*

“Margaret was such a special friend. I loved when she and my Mom shared stories about working on the stage crew in the early years of *The Follies*. Margaret was a fun lady to share a name with! I loved sitting by her at PEO, knowing we would share a great laugh. She brought me a Coleman’s Apple pie the day my mother died...I’ll never forget the comfort her visit gave me. She will be missed.
