“ I was blessed to know Margie and it was a blessing to take care of her the last two years of her life. She was a very sweet and loving lady. I treated her as if she was my own grandmother. I loved her so much. It is a joy knowing her family as well. She is up there with the lord now smiling down on all of us she loved and cared for here on earth. God bless all of her family and take care. Love,

“ While taking care of Donald, I grew quite close to Margie. I felt as if she was a patient of mine during that time also. Then when I worked home health, I was given the opportunity to care for her as well. She was a remarkable woman.

Sugar, Tim, Cynthia... My heart breaks for you. Losing a parent is difficult. I will hold you in prayer. Love you all.... Ange &

“ *Our loss is Heaven's gain, and I rejoice that she is with our Lord, running the streets of gold with my grandma, who had very close to the same problems with her legs and feet. You're my family and I love you. Please let me know how I can help.*
