“ Calvin and Elizabeth, your Mother was a beautiful lady who made a difference in this world. I remember your family at church. I loved your Mother's laugh! Though I have not lived in Okmulgee in 50 (!) years, I feel close and love the people there.

Our Mothers were friends and took part in many church related activities through the years. James and I were volunteered many times while Marianne and Juanita (Thompson) guided us!

I send my heartfelt condolences with hope that you will cherish these days as your Mother is remembered. Take time to grieve, look back, and to cherish seeing friends and family who love your Mother and family. Listen to the stories about your history, you will be amazed! Know that you are loved and cherished, you made your parents very happy.

Calvin and Elizabeth, I loved your Mom. Marianne was such a special lady. I fell in love with her the 1st time we met. I enjoyed the times she met me at the ranch and she would go with me to check on the cattle. We had time to visit and we learned a lot about each other. I learned a lot of history of the land from her 1st hand. I want both of you to know that your Mom was truly a Blessing to us. God truly sent us an Angel when he put her in our path of life. God has her in heaven now and she is in no pain and has a new body. I can only imagine the reunion she is having with her family. I love you all.
