“ Jim & Carolyn:

We were sorry to hear of your mom's passing. Know you both loved her dearly and she loved you as well. Sorry we couldn't have been there to pay our personal respects. But know we have been and are thinking of you. We appreciate your friendship and kindness. Know your mom would be pleased.##imported-begin##Norm and Connie Rourke##imported-end##

“ *I share a first name with my sweet and special aunt and also April birthdays. She lived a long and full life and I have many good memories of times shared with Aunt Bea, Uncle Kenny, and my cousins in their pecan grove. Can't think of a person she didn't welcome into her home and who didn't love her homemade blackberry cobbler. She loved the Lord and her family. We'll all miss her very much.##imported-begin##Anne Stookey Woodall##imported-end##*
