“ I have so many memories of Mark , he always had a smile on his face and always gave me a hug. Mark was a great man who was so full of life. It was so hard to see you laying in the hospital bed fighting for your life. I know that I told you to get up outta that bed and lets go have a bonfire and drink a beer like we have so many times. You squeezed my hand really hard and looked at me like saying yes yes yes,lets go.I know that Ty Davis is devastated that you are gone and misses you, it don't seem real. It was pleasure to know you and you will truly be missed by many of family and friends. I know this is hard for family to let go of someone that we love but the only blessing out of all this is that you are no longer in pain and suffering. Go rest high on that mountain and get that big buck you deserve. Till we meet again. Rest in peace Mark Allen Harris ❤️❤️❤️❤️❤️❤️

I know Mama and Daddy and Nathen and all the other family welcomed you with open arms,,Wow,,,,you are completely whole,,body, mind, spirit and soul!!!Hallelujah! And you have seen God face to face,,,,all questions answered,, all secrets known!!! I am jealous!! I will remember you every second of my life,,cherish our lives together,, and I will rejoice that you are safe in paradise and look forward to seeing you again,,what a day of rejoicing that will be!!! “ Mark, from the time I first met you until the day I watched you pass away I loved you with all my heart. So many memories of all the things we did together, the basketball, jumping rope, do it yourself track meet fields we made, playing catch and football in the front yard, running the creek and the field and all the play houses we made. Catching lightening bugs at dark, crawling in the itchy cubby hole of our new house,(filled with fiberglass insulation), wow how that hurt us. I loved that we were both in grade school together and I would see you there and feel so safe. Special memories of you, me and Janet catching the bus together every morning and how we would stand behind Janet for a wind break, laughing and she would be so mad at us. Teenagers running with Bret and Rhonda, we had some fun, so many memories I couldn't list them all. I will miss you more than I can say and it's very strange to know that you're not here. I'm happy to know that your healthy and more beautiful than ever before. You're with Jesus, Mama & Daddy and so much of our family now and I know that you're happy! Nobody else like you in the world and so many people will miss you here. Thank you for being the man and brother that you were, I will miss you with my whole heart, Mark Allen Harris. My brother, my friend.

“ Mark you were loved by many and missed by even more than you will ever know. In the time we had gotten to know you our family grew to Love you like one of our own. You put up a great, long hard fight but for those of us and our selfish ways wish God would have let you win it. I am so glad that you are no longer suffering or in any pain. I am sure you have found our dad and gone Hunting and fishing with him by now. Please give him a big hug from us. We love you and will miss you dearly. Know that we are all here to make sure Stephanie and the kids are taken care of. Until we meet again on the other side of Heaven it is not Goodbye but it is See you later.

“ Mark it was a pleasure knowing you. I hope that you are enjoying being pain in heaven. I also hope that you have found my daddy and given him the hug that I spoke to you about. I'm sure y'all have met up and been on a hunting trip by now & probably have seen the biggest deer's in the most beautiful place there can be. I have a feeling you were greeted by many other loved ones that were happy to see you. We will continue to take care of Stephanie and the kids. Prayers to all..
