“ I saw in the Tulsa paper where Marvin had passed away. Please know that I am grieved by this and offer my condolences to the family. I have some very old and early remeberances of Marvin. In about 1950 I was a young elementary student at Wilson Elementary in Okmulgee. My memories are of Marvin working diligently as the school's janitor. He worked very hard and I vividly remember him, being quite tall and thin, pushing a very long 6 foot or so treated rag mop across the gym floor or down the halls after school was dismissed. I was intrigued by this and for some reason was very impressed!! I also remember when he had an apparent heart attack and left as the janitor to become a barber. Seems that his father-in-law took over the job. What wonderful and vivid memories for me about 65 years ago of a man doing a good job at Wilson Elementary in Okmulgee!!
