Ms. Green hired me as a new graduate in 1992. I was just beginning life as a new nurse, new wife and new mother. I was scared to start my career in the ICU. She was wonderful! Four years later, moved to Houston, Texas and I took all that she had given me and continued to grow my career into a Nurse Practitioner. I thought of her often as i grew in my career and never forgot her. I recently found this obituary as I began thinking about all of my blessings in life, and I thought of her. I thank God that he allowed her to cross my path. Prayers of peace and comfort for her family. Please know that she made a deep positive mark in my life that continued for 22 years from 500 miles away.

“ I remember the first time I met you. We were so young. I was 16 and you were 18. You were so dedicated to your babies. I have many good memories of you. I remember the countless hours you studied to become a nurse. Nothing would stop you from reaching your goals! Blessings.

“ Mary hired me 17 years ago this week. She was my second mother, and like my mother, usually called me by my full name, Mary Margaret. I am thankful to have worked for her- she was fair, brilliant, and loving.... She fought for us, and taught us so much. I want to make her proud, always. My love goes out to Papa Ronnie and all of the Green family. Thank you for sharing Mary with us all of these years. We are so blessed to have had guidance and support!

“ Mary "Mama Green" was just that to many of us nurses in her ICUs, our 2nd mom. She was there for us when we needed her both on a professional and personal level. She was tough and had high expectations for us, but she had a huge heart and loved us all. She has touched and influencened some many lives here at the pink palace- we respected her, feared her and loved her! I for one will always be eternally grateful that I was privledged enough to work for her.

“ Mary was my hero, champion, Mother, friend, mentor, strength, sounding board, cheerleader, supporter, and I tried to do the same for her. She was a grandma to my children, and number one fan of my husband, and I will love and miss her every day for the rest of my life. Thank you for letting me be present with her through this journey. I have appreciated and loved her through every minute! Much love to each of you in the Green family!!!

“ We will never forgot all you have done for our family! You were truly an angel to us. You took on Kaytie as if she was your own and made sure she was taken care of at the hospital! You also took care of Grandma and Grandpa when they would have to come to the hospital...gma's heart is broken. She thought so much of you! You will never be forgotten! Thank you for always listening to us and being there for us when we needed you! We love you with all our hearts and we will miss you!

She was a great lady! Our deepest sympathy and prayers go out to Tashauna, Ronnie and the Green family. We really enjoyed her in our S.S. class and her heart for the patients at the hospital was very evident in her prayer requests. We are so glad that she knew the Lord and is with Him in Heaven rejoicing with the angels right now. Jerry and Karen Henderson
